Re: BCBSVT 2015 Vermont Health Connect Rate Filing  
Docket No. GMCB-18-14rr

Dear Jackie:

I am responding on behalf of the Green Mountain Care Board to BCBSVT's June 16, 2014 letter requesting that certain information be treated as confidential. We have reviewed the justifications provided in that letter and have determined that they satisfy GMCB Rule 2.000, § 2.305(a)'s requirement that "the Person claiming confidentiality must provide a detailed explanation supporting its claim." We believe that designated information meets the statutory requirements pertaining to materials exempted from Vermont's public records law. Therefore, all persons who have possession of or access to this information must treat it as confidential, as provided in Rule 2.000 and the Board's standing Confidentiality Order.

Please contact me if you have additional questions.

Sincerely,

s/ Mike Donofrio
