1. Your June 15, 2021 response letter referenced an attached document regarding updated COVID modeling that does not appear to have been included in your response. Please provide that document.

Please be aware that we expect to have further questions regarding the filing as the review continues.

To ensure that the review of your filing has been completed before statutory deadlines, we expect you to respond as expeditiously as possible to every objection in our letter, but no later than June 24, 2021.
