Dear Mr. Karnedy, Mr. Long, and Ms. Lebel:

The Green Mountain Care Board hereby requests that MVP Health Plan, Inc. (MVP) provide the following information to assist with the Board’s review of the above-referenced filings. Please provide responses by August 5, 2024.

1. For MVP’s 10 most common mental health CPT codes:
 - a. Provide MVP’s reimbursement for mental health visits in VT and bordering locations.
 - b. Provide a comparison of MVP’s reimbursement to other payers’ reimbursement in VT and bordering locations. Provide the source of the information used for the comparison.

2. It appears that MVP’s quantification of the impacts of Act 111 focused solely on claims increases due to the elimination of savings from the programs described in Exhibits 8 and 9. Describe any administrative costs of these programs, including staff costs and any third-party vendors, that would be eliminated:
 - a. Under Act 111 as originally enacted.
 - b. Under Act 111, as amended by Act 185.

Sincerely,

s/ Michael Barber
