SERFF Tracking #: BCVT-134106867

Dear Matthew Goodrich:

Thank you for your submission. We request the following additional information regarding this filing:

Questions:

1. In light of the recent letter sent to the Green Mountain Care Board in relation to the outstanding Individual and Small Group filings, please clarify whether any changes to the CTR for this block are proposed.
2. What is the rate impact to this filing of the final approved version of H.766, as compared to the version used to develop the rates in this filing?

To ensure that the review of your filing has been completed before statutory deadlines, we expect you to respond as expeditiously as possible to every objection in our letter, but no later than July 19, 2024. Note that the responses can be submitted separately and do not have to be submitted all at the same time.

Sincerely,
