Re: Blue Cross and Blue Shield of Vermont  
2024 Vermont Exchange Rate Filing – Individual  
SERFF Tracking #: BCVT-133654578  
Objection #5

Dear Ms. Brisson-Lemieux:

Thank you for your previous responses. Please provide the following additional information.

Questions:

1. We are aware of an updated actuarial certification from Wakely for the 2024 Standard Plans due to IRS-release final H.S.A. limits for 2024. Please either confirm that the noted revisions are included in the submitted rate filing or list each revision and provide the calculation of the resulting rate impact. If the latter, do not provide fully revised documentation (URRT, Act Memo, Exhibits, etc.) at this time.

To ensure that the review of your filing is completed before statutory deadlines, we expect you to respond as expeditiously as possible, but no later than July 5, 2023.

Sincerely,

Kevin Rugeberg, FSA, MAAA
